Greenwood Public Schools

NOTHING LESS THAN SUCCESS

SCHOOL IMPROVEMENT GRANT

Eight schools in the state of Mississippi were awarded funds from the state's School Improvement Grant (SIG) program in which Greenwood Public Schools was awarded funds for three schools to help improve student achievement.

Greenwood Public Schools was awarded over \$4.6 million over the course of four years to be distributed among our three eligible SIG schools; Threadgill Elementary School, Greenwood Middle School, and Greenwood High School. Each school was approved to implement the Transformation model.

Some of the benefits of the grant include:

- ✓ Purchase resources to improve student achievement (textbooks, software, etc...)
- ✓ Provide teacher/student incentives
- ✓ Hiring extra support staff
- ✓ Providing extended school/year program
- ✓ Professional development opportunities for staff
- ✓ Equipment for science labs (middle school and high school)

2017 -2018
New Teacher
Orientation

Another
benefit of the
School
Improvement
Grant is
support for our
new teachers
to the district.

GPSD GOALS

Goal 1: All students will demonstrate proficiency and show growth in all assessed areas.

Goal 2: All students will graduate from high school college and career ready.

Goal 3: All schools will have high-quality teachers, leaders, and support staff.

Goal 4: All schools will effectively use technology and data systems to improve student achievement and outcomes.

Goal 5: All schools will maintain a positive, safe, disciplined, and respectful environment.

Goal 6: All schools will increase parent and community involvement.

Goal 7: All schools will maintain fiscal and operational accountability.
